Monologues & Things You May Not Know

His mind operates at a higher scale or pitch

Its better to be candid than coy

They have delusions about their place in the world

It was a table flip moment

Are they over compensating for some hidden secret?

He sounds like he's in regional theater

The only thing that is stopping them is access and know how

If it happens fun will be on a hiatus for a generation

We are one hit away from a nation unraveling

In a time of insecurity the people would rather see a leader that is strong and wrong than right and weak

Reality, realness carried by an actor

**Everything that you do make it as real as you can.
Make it alive..Find the truth of that moment**

**You have to know your subject.
You have to know your character
Putting yourself in a different state of mind**

When its right its right and you can feel it in your bones

**I was in the right place at the right time
in the right state of mind**

I'm not afraid of being myself

**He just sits there and marinates his mind
and his intellect. That's all he's got**

Never let the audience know how its going to come out

Be creative and do it like its never been done before

**The reason they don't have light in the theater
is because you are there for your fantasy**

What consumes your thoughts in your spare time
When you have any

When what you are as a child is unwanted
you look for an idenity that would be acceptable

If you haven't ever been loved or even known love
you'll never know what it is. You don't know what it
looks like. What it sounds like. you look in the most
unlikely places to find it

You bring a part of yourself to every character
But some parts are closer to us than others

You function like a human machine with no individuality

No manicured expression

How delicate it is to create an emotional impression

I'm standing up to the human race

The Flugnoids – They don't care who you are.
What you do. You can't put dollars on the table
and buy souls

The erratic individual entire self esteem shrinks to
nothing if he doesn't receive admiration. To be admired
and respected is a protection against helplessness

There have been 400 treaties written by the united states
in good faith with native Americans and every one of them
was broken

Life is a rehearsal Life is an improvisation

20 people are killed every years by cows in the US

There were a million and a half elephants in Africa
in 1979.We now have 400 thousand and 30,000
killed each year

Only 10% of corn grown is eaten

The mental disturbed are the ones that are looking to
create a rationalization for themselves

He's temperamentally unsuitable

He creates an alternate reality and he doesn't back down

4000 Chinese people die each day from bad air

It is a sustained fury over a course of life from feeling disappointed,at failure,at humiliation and as that marinates in them over time.

There is a sense that if I do something really big and bad it has a restorative affect to my pride and dignity and importance

Aura Colors : Red Blue Purple Black

You can focus on any task at hand regardless of the others judgment

I was never the same again. There was only one place that I could feel any measure of peace. A place where I could lose myself and never be found

Are we ever really ready to see who we really are?

An End Gesture

My tastes are very singular

Art is your impulses to create something capture the moment

Everyone has highs and lows in life but the secret is to try to equalize it. Smooth it out

With good comedy you really have to have the sense of who you are and what the reality of that moment is

You can see if you want to
You can be if you want to
You can love if you want to
You can live if you want to

But if you don't you don't have to

You can smile if you want to

You can laugh if you want to
You can cry if you want to
You can scream if you have to

But if you don't You don't have to

You can win if you want to
You can lose if you want to
You can need if you want to

But if you don't You don't need to

You can change if you want to
or stay the same if you need to

Its up to you What you do
Its something no one else can choose

If you need it go and get it.
If you don't then forget it

If you look you may find it
If you don't we won't mind it
If you care we will love it
If you share you're above it

You'll discover if you try it
That's there's no price to buy it

Pass It Forward
